FURNITURE

Venables Oak is one of the few remaining brands associated with truly bespoke furniture. Selecting solid hardwoods from 200 year old trees in sustainable forests to make the tables and chairs that will stand the test of time. Crafted wardrobes, beds, home entertainment centres, dressers, bureaux, chairs, tables, stools, designed and crafted in any style – traditional, period or contemporary.

Venables Oak furniture is hand made with traditional joints and hand finished as required. Whether it's a fresh contemporary piece or a reproduction of an aged antique, we will be happy to work with you to create a piece that suits your needs.
